

Käyttöohjeet

Chat_Roomissa näet ensimmäiseksi Login ikkunan. Login ikkunan alhaalla on Register nappi jolla teet uuden käyttäjän.

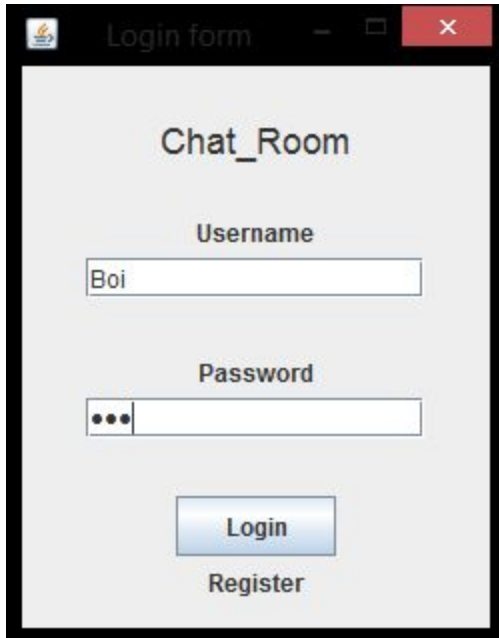

The image shows a screenshot of a web application window titled "Login form". The window has a standard Windows-style title bar with a minimize button, a maximize button, and a close button (red X). The main content area is light gray and contains the following elements:

- The text "Chat_Room" is centered at the top.
- Below it is the label "Username" followed by a white text input field.
- Below that is the label "Password" followed by a white text input field.
- Below the password field is a blue "Login" button.
- At the bottom is the text "Register", which likely serves as a link to the registration page.

Register sivulla kirjoitat omat tiedot tekstikenttiin ja painat register nappia.

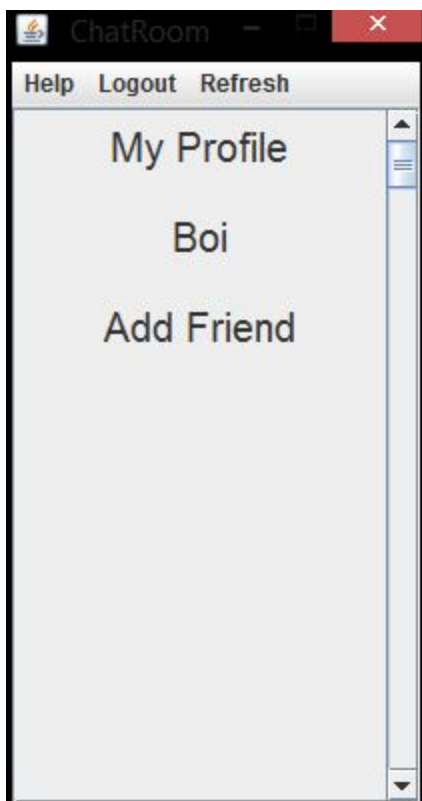

The image displays two states of a 'Register' application window. The left window is the initial state, showing a form with the following fields: Username, Email, First name, Last name, Nickname, Password, and Password Again. At the bottom are 'Cancel' and 'Register' buttons. The right window shows the form after data entry: Username is 'Boi', Email is 'boi@boi.boi', and the Password and Password Again fields are masked with dots. A message dialog box is overlaid on top of the right window, displaying an information icon, the text 'Registration successful!', and an 'OK' button.

Registerin jälkeen pääset takaisin login formiin minne voit kirjautua uudella käyttäjällä
